

## FINAL VERSION

### *Memorandum of Understanding between*

*International Council for Education and Rehabilitation of People with  
Visual Impairment (ICEVI-Europe)*

*And*

*The European Blind Union (EBU)*

Considering

- That EBU and ICEVI-Europe aim to ensure and facilitate full inclusion of persons with visual impairment in all parts of the European Society
- That service providing and advocacy conducted are complementary activities
- That promoting inclusion of persons with visual impairment calls for close cooperation
- That efficient use of all resources available is necessary to promote the common goals
- That cooperation between the parties is based on mutual respect for roles, mandates and tasks

The EBU and ICEVI-Europe have decided to investigate the possibilities of enhanced cooperation
