### FACTS

For the 16th time 20 blind and visually impaired adolescents (18 - 25 years) from all over Europe are invited to Northern Germany and experience two weeks of fun, friendship and enjoy various exciting activities.

The camp will take place in Klingberg near Scharbeutz (at the Baltic Sea) from 9th to 21th August 2020. The participants will be hosted in a youth hostel suited for handicapped people. The camp language is English.

The camp is organised by the International Leo Youth Camp e.V. with support of the Leo-Clubs of Northern Germany (District 111-N). Registered charity was founded to realize this camp. The carrying out is honorary.

### PROGRAM

The list of activities for 2020 will be exciting and divers. All the activities are suitable for blind people, challenging and full of adventure. Our main aim is to give the blind adolescents opportunities to gather new experiences.

Activities of former camps:

- car driving
- tandem biking
- sailing
- Zoo visit
- climbing
- horse riding
- swimming
- city trips
- dancing
- party in Hamburg
- beach day
- barbecue

help  
each other

### AIMS

The camp is a place for international understanding and integration of handicapped people. The participants will be challenged to gather new experiences, think out of the box find new friends and get an impression of Northern Germany.

### FINANCING

The camp is mainly financed by sponsoring and a small participation fee of Euro 150. The fee covers accommodation, full catering, activities attendance and transportation during the camp. For further information, please contact us or visit our website:
